Re: Corrections to Legal Descriptions, Transfer of Notice of Intention Forms, American Stone, Inc. to Star Stone Quarries, Inc., Cotton Thomas Granite (E/003/032); Cotton Thomas (S/003/024); Rosebud (S/003/026); Lion Heart (S/003/033); Box Elder County and Peoa Blonde Quarry (S/043/012), Summit County, Utah

Dear Mr. Thomas:

On February 29, 2000, we received your signed and notarized transfer forms to transfer eight small mining projects and one exploration project from American Stone, Inc. to Star Stone Quarries, Inc. In checking the transfer forms against our records, we found that five of the forms had discrepancies regarding the legal descriptions.

To assist you in completing this action, we have partially completed new transfer forms for those five projects using the correct legal descriptions. We are returning your original copy of the five transfer forms found to be in error. Please check over the new transfer forms for accuracy. If you agree with the legal description as described in our records, please sign and have the new forms notarized. Please return the original signed transfer forms to us by March 22, 2000 for continued processing.

Please note that we have not received a transfer form for the Aragonite large mine project. Thank you for your assistance in this matter. If you have any questions, please contact me at (801) 538-5267.

Sincerely,

Anthony A. Gallegos
Acting Permit Supervisor
Minerals Regulatory Program
